NOTHING IS ACHIEVED WITHOUT THEM.

The dedication and determination to help faculty and every willing student make **Joyce Corpuz** (left) and **Amelia Wright** (right) the back bone to the department. Who are they? Both are wonderful people. Joyce spends her off time playing bocce ball and creating jewelry. She has been working for the CSU system for a long time and finds the culture of HSU outstanding. Amelia plays golf with her husband, reads a lot, and used to be an elementary school substitute teacher. They love to work with students and we appreciate everything they do.
